# BOA Max 2

## Intelligent Pressotherapy System

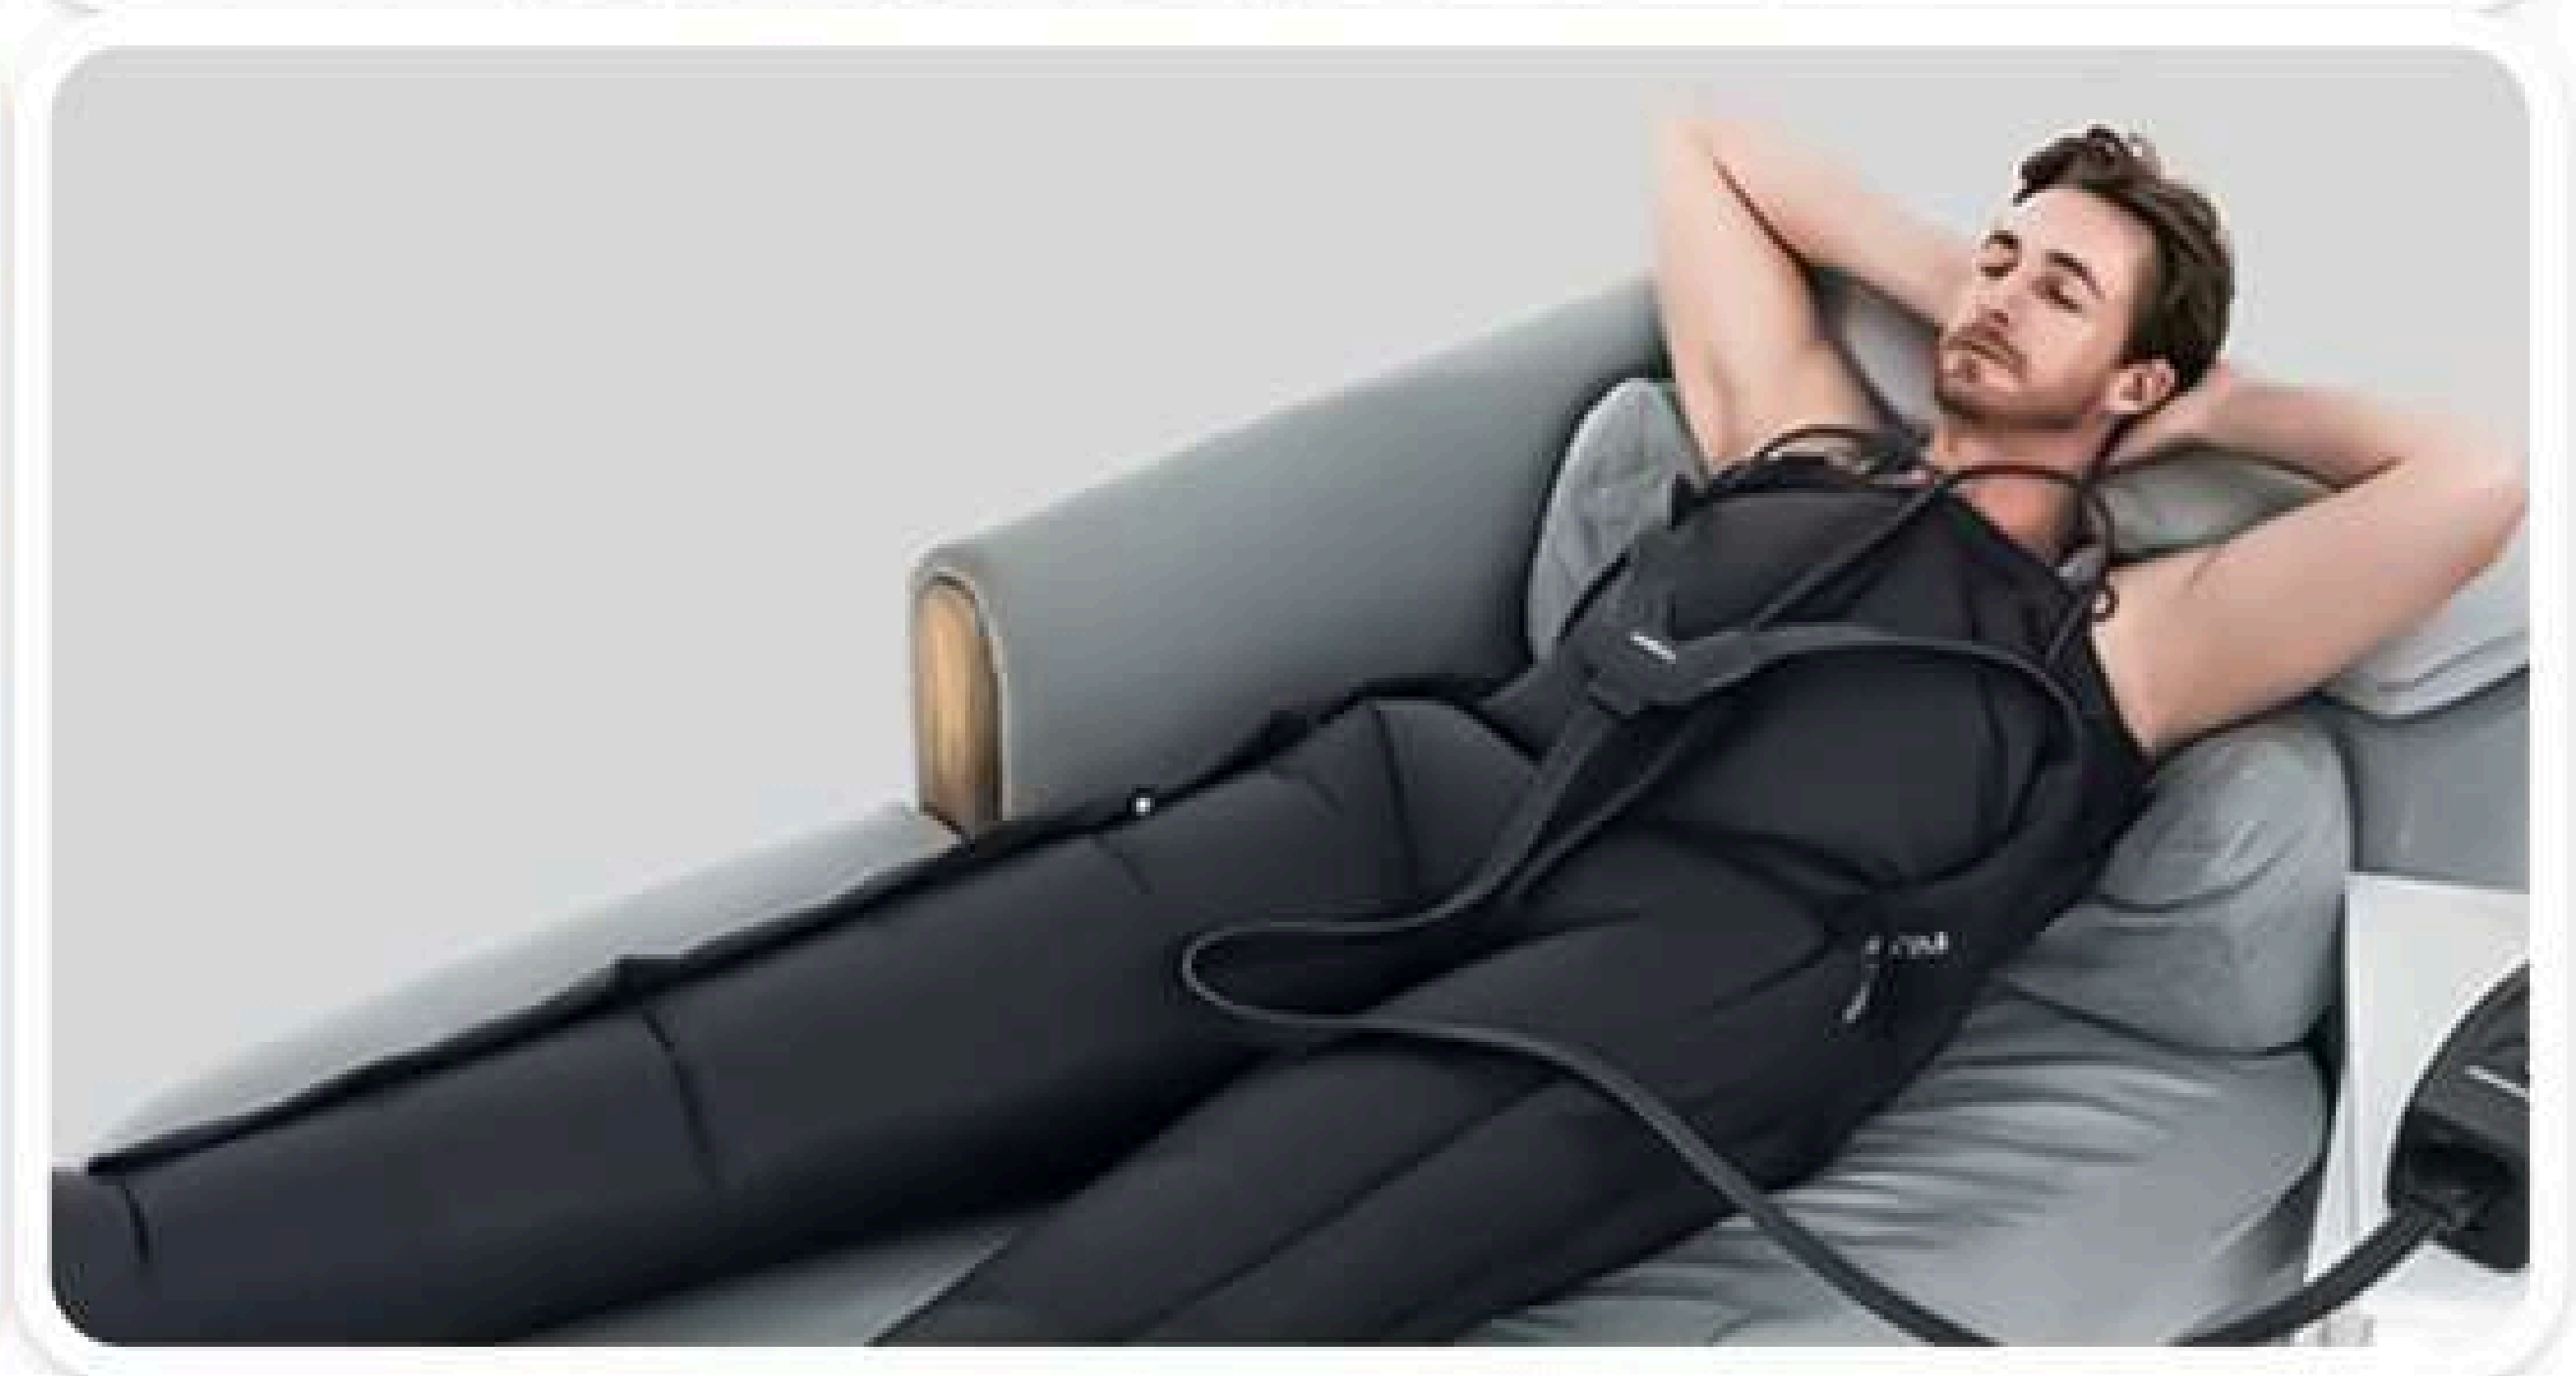

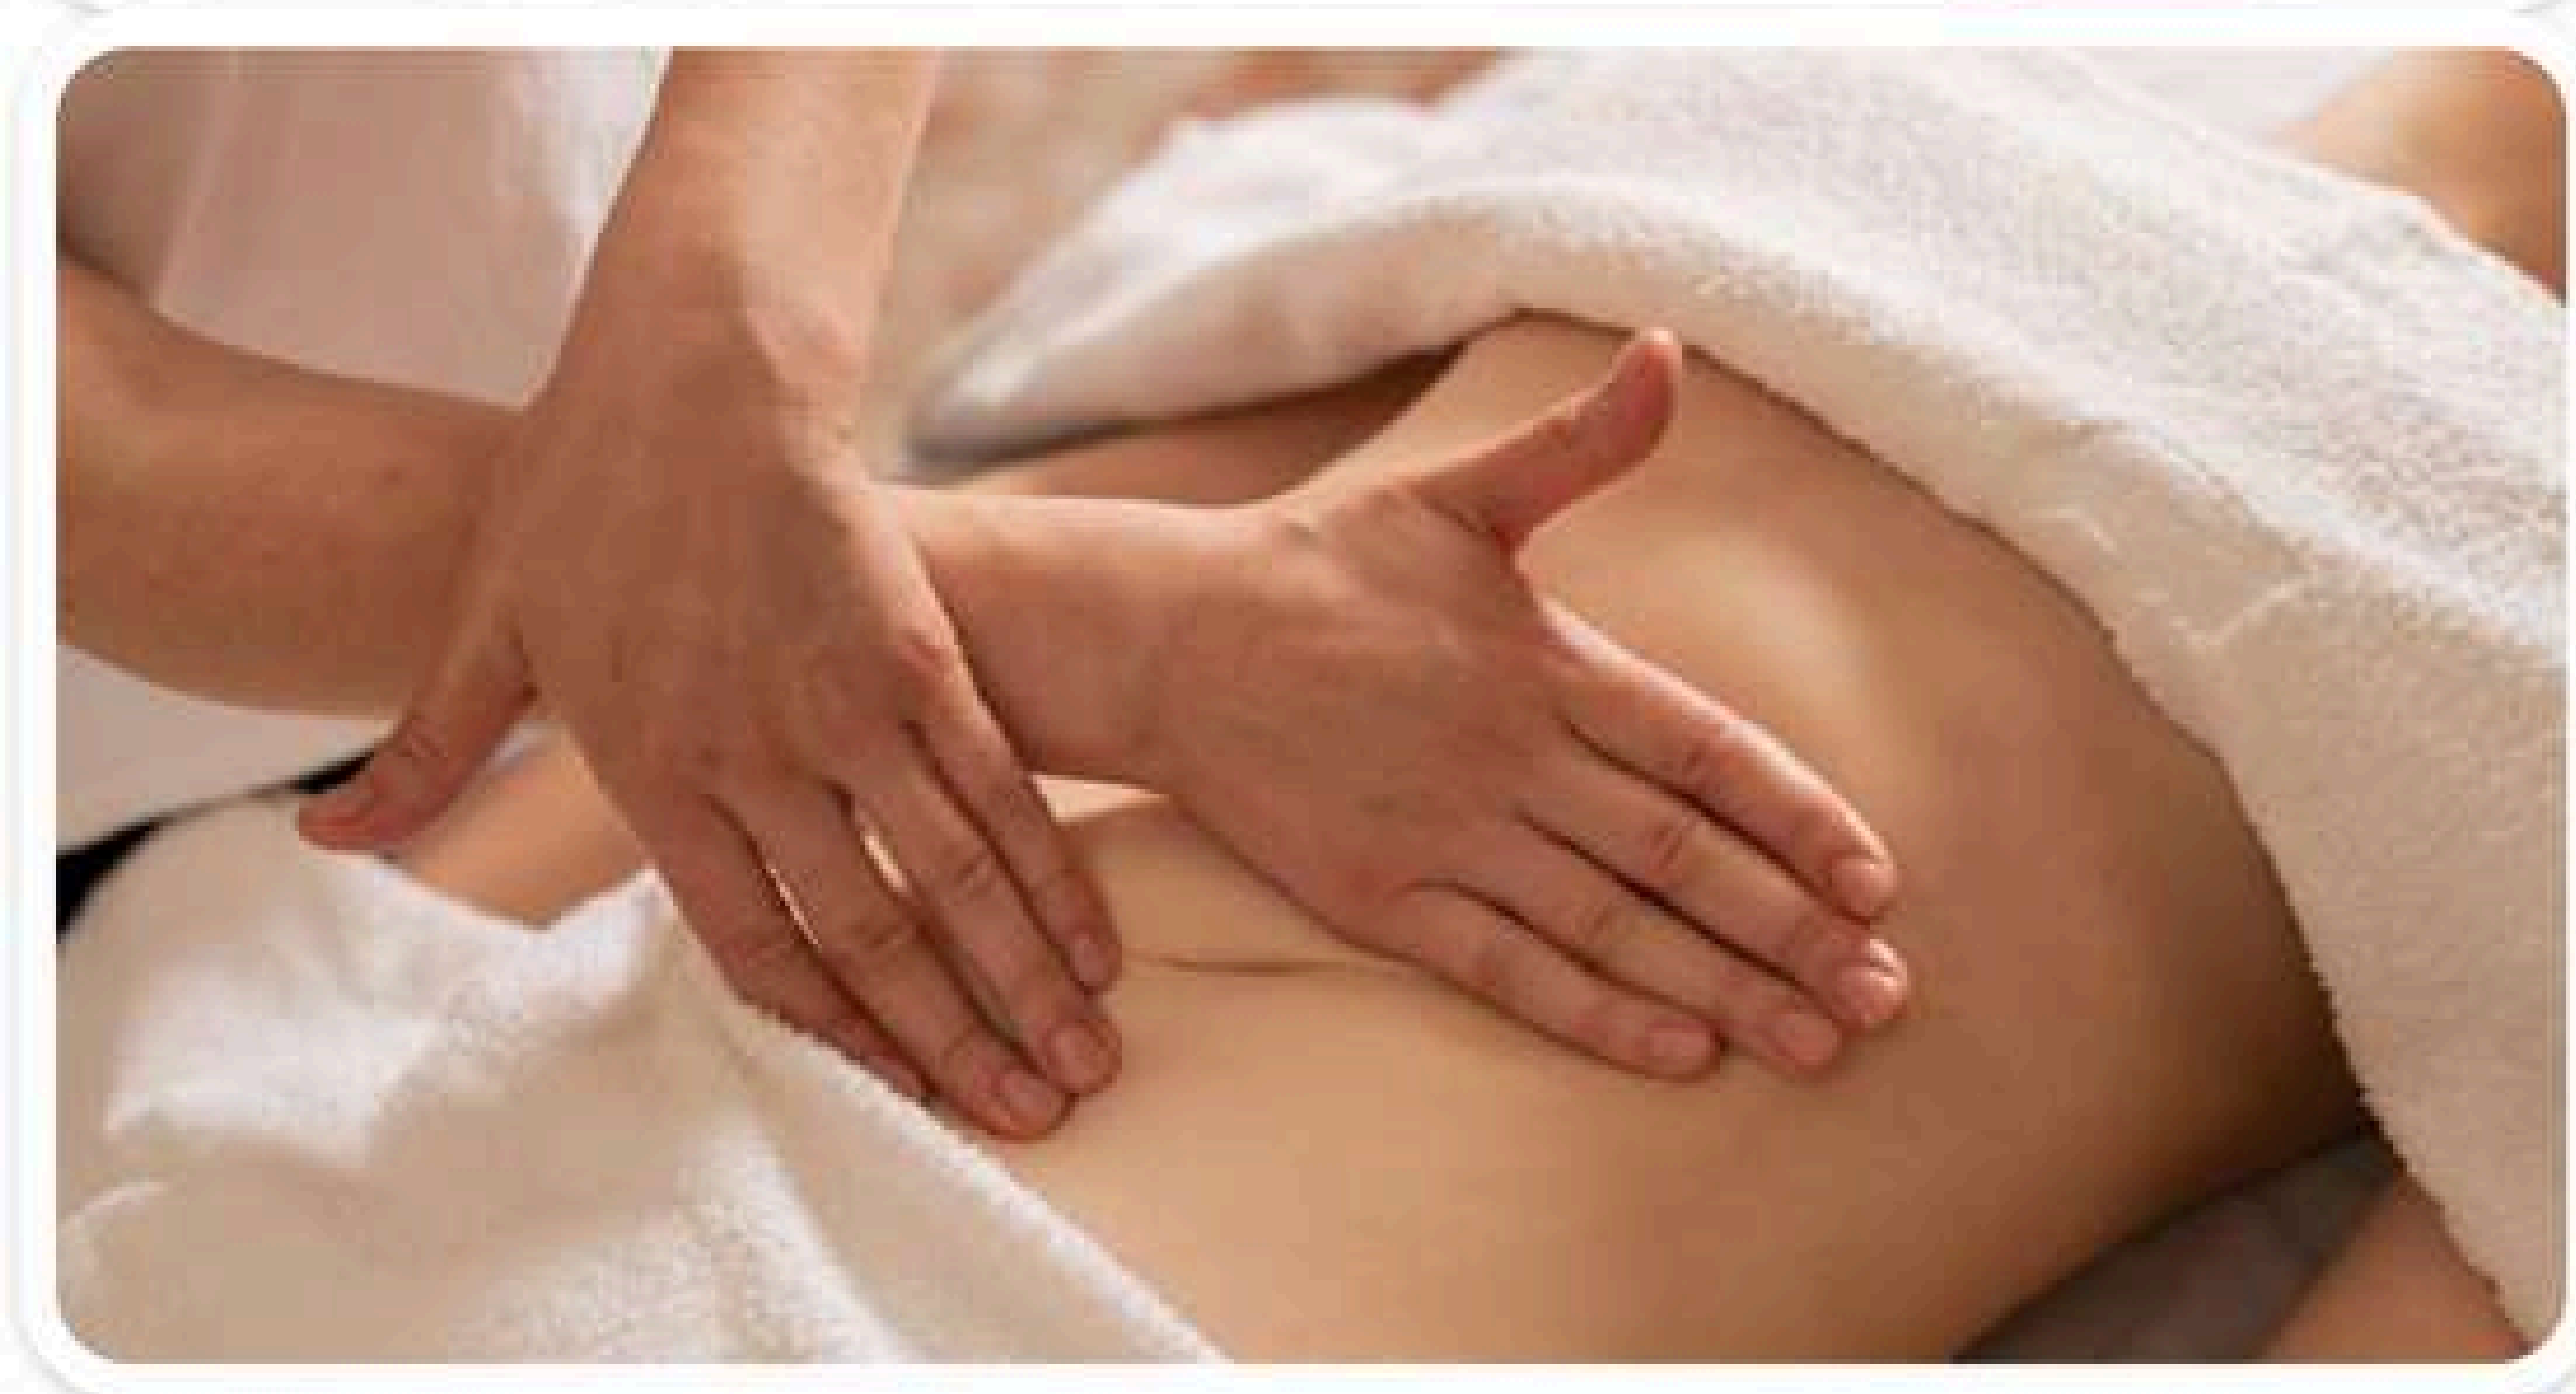

**BOA Max 2** is an advanced medical and aesthetic pressotherapy system designed for lymphatic drainage, post-surgical recovery, sports rehabilitation, and body contouring. Using smart pneumatic compression, it enhances circulation, promotes detoxification, and supports tissue regeneration for visible, lasting results.

### Key Features

- Controlled sequential compression for natural lymph flow
- Reduces swelling, fatigue & heaviness
- Improves detoxification & fluid balance
- Stimulates collagen production & facilitates tissue repair
- Enhances metabolism and body contour

### Applications

- Lipolysis/ Cavitation
- Sport Massage
- Relaxation Massage
- Slimming & Cellulite
- Lymphatic Drainage
- Compression Massage

”
